

Regroup Lesson Plan Teacher's Copy

*Tell the group to bring their bible and writing utensil, this will be an essential part of tonight's lesson.

Over the past three weeks, we have transitioned from our series FAITH FOR THE GOOD LIFE. Tonight, we will reflect on what Pastor has been teaching and how we can apply it to our everyday life.

ICEBREAKER:

If a movie was made of your life what genre would it be, who would play you?

Foundation Scripture

Ephesians 2:10 (AMPC) - For we are God's [own] handiwork (His workmanship), recreated in Christ Jesus, [born anew] that we may do those good works which God predestined (planned beforehand) for us [taking paths which He prepared ahead of time], that we should walk in them [living the good life which He prearranged and made ready for us to live].

1. According to scripture, what did God originally intended for our lives?

God has always intended that His children live and experience the good life. Not when you die and go to heaven.

2. In reference to the scripture above, if we want the good life, then how can we access it?

By Faith!

The good life, that Jesus died for you and I to receive, is only accessible by faith. Everything in the kingdom of God is only accessible by faith.

3. According to Romans 10:17 (AMPC), how does faith come? How is faith born?

#1 Faith comes by hearing, and hearing by the word of God.

#2 Faith is born out of intimacy with God and His word.

4. Fill in the Blanks:

Behind every _____ **Verse** _____ of scripture, is the _____ **Voice** _____ of God.

5. According to Hebrews 11:1 (AMPC), when is faith, in the future or now? Explain.

Faith is now! There is no future nor time in God. Your future is in you. It's already in you, it's already done, it's already finished. And it's your faith that gives you access to what's already done.

6. Fill in the Blank:

Hebrews 11:6; Without faith it is impossible to _____ Please _____ God.

7. **ACTIVITY #1**

Have everyone take a moment to unscramble the hints, fill in the blanks to complete the sentences, and then discuss with your group to see if everyone got the same answers. (If needed, be sure to correct your incorrect answer during discussion.)

What are the things faith can do?

- Faith **partners** or **connects** you with God. (HINT: sneratrp or sntoenc)
- Faith **removes** the excuses. (HINT: evoersm)
- Faith **Empowers** the believer to be a world overcome. (HINT: oepsemwr)
- Faith **connects** you with what God already did. (HINT: nctsecno)

Self Reflection:

What did you learn from Pastor's series this month? How can you apply it to your everyday life? What areas in your life do you need to develop your faith? What habits can you create to meet those goals in order to live and experience the good life?
